What's in Season? **Apples**

It may be a slight exaggeration to say that an apple a day keeps the doctor away, but it is only slight.

Apples provide us with both soluble and insoluble fibers which help to prevent cholesterol buildup and move foods quickly through the digestive system.

Apples are versatile and delicious. They can be served by themselves, in salads, and in sauces. To maximize the nutritional impact, it is best to eat apples with their skin.

!!FUNDRAISER!!

The Dawson 4-H Schwans Fundraiser starts September 1st! Please share on Facebook, Twitter, email, word of mouth or stop by and pick up some flyers to hand out.

I am asking people if they already order from Schwan's then if they say yes tell them about this, that way people don't feel like I am pressuring them to buy if they don't want to. I have passed out flyers to several already; people at school, church, work, family or if you see the Schwan's truck in your neighborhood are some ideas to ask.

Last I had heard Crosby 4-H earned \$1,016 and their campaign wasn't over yet!

Here are two ways to support us!
Order Online:

1. Visit Schwans-Cares.com
2. Enter Campaign ID: **21810** into the search box located in the upper right hand corner then click to open campaign.
3. Click "Shop to Give" and then select either the "Buy Now" or "Shop Now" option.
4. Proceed to complete your order and submit.

Order by Phone:

Call 1-855-870-7208 and provide Campaign ID: **21810**
